

The Edge Hotel

November  Newsletter

Let's face it, the holidays are stressful. Between shopping for gifts of equal value, so the kids don't fight, to trying to find just the right present for that one picky relative, that we all seem to have... there is little time to really relax and actually enjoy the holidays. That's why we can say with profound excitement that our 10th Annual Health & Wellness is officially here for November 3rd-5th! Why not take this time to relax and recharge before the hustle and bustle to come? We have many new vendors, as well as some returning favorites in attendance and many new Workshops by popular demand! There is sure to be something for everyone whether it's a massage, Christmas shopping with some of our many retailers or finding out what the future holds for you with one of our amazing psychics! This will be a weekend you won't want to miss. It'll be the easiest choice you make all winter.

Sincerely,
The Edge Hotel 😊
